

colors com color palette i edited →

this is just my writing color tho

added in

added in

prolly gonna still add even more lol

hair colors  
yellowish but idk at this point

im not gonna deal with blush rn...

skintones ≠  
too dull, good 4 hair tho

skintones again (layerable)  
i think... idk (i just need a black perso to help me lol)

< 3 less than three

Random but heres my favorites section (rilly messy lol)

the colors also change alot minus bright red pencil and thin bright red pen
