

Do you have a ~~CRUSH~~? Bingo

they smile at you and it makes your day	you pretend that you find them annoying	you talk about them constantly (to myself)	you've dreamed about them
you blush whenever they talk to you	when they get in trouble you are in denial that they did something wrong	you're afraid to embarrass yourself around them	you like to imagine that you're together
you catch them staring at you and your brain explodes	whenever someone mentions them you immediately start eavesdropping	you subtly watch them in the halls	you try to look nice to impress the
when someone finds out, they try to back you up (happen) time	you catch yourself thinking about them too much	you have a hard time talking to them	you know you'll never be together
