

The background of the notebook cover is a vibrant floral pattern. It features a color gradient from a bright yellow at the top to a soft pink at the bottom. The pattern consists of various line-art style flowers and leaves in shades of purple and pink. The flowers include large, multi-petaled blooms, smaller daisy-like flowers, and clusters of tiny buds. The leaves are simple, elongated shapes with visible veins. The overall aesthetic is clean, modern, and feminine.
