

betate

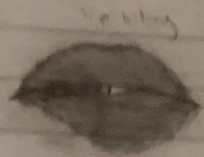

why are they laughing do they still like me why did they do that

staring in one spot
no-cul out

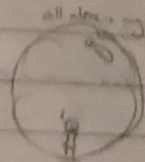

red lines in eye

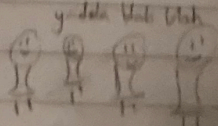

no-cul

am i just enough?

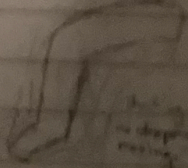

just do i why are you
worried?

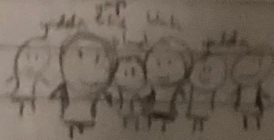

all alone in bubble

y-tela that that

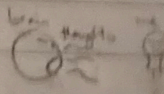

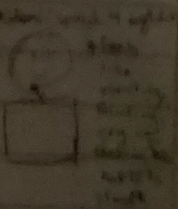

no sleeping
no eating

y-tela that that

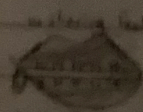

lips don't move

brain thoughts

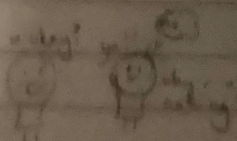

feeling small in
one of situations
not participating

that was so stupid why did i say
that?

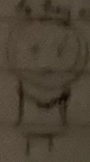

do to have a weakness

do with perfect
or don't do it

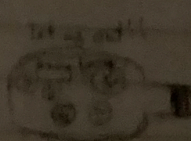

why?

why?

do they even like me?

test my self
