

Can I can call you Ayana? Also where have you been for 13 years? My life was horrible!

Sis, chill! So first you can call me Ayana but I do prefer Luna. And I spent the last 8 years being the security guard for father's personal hell (means that my life was just as horrible as yours)😓

You can call me either Crystal or L. I don't mind which one you call me. I was abused by Clara just because "I came into her life". Dad never loved Clara and he was forced to marry her. Clara killed me with a metal bat when I was 12. So Dad (william) found out and got a divorce with her and he is now married to Henry.

Sad life for both of us... I also hate Elizabeth... she once told dad to beat me up bc I ate Evan's cake... RIP 🕒 he actually did it (got a nice scar on my face) -lunas\_art

Did you ever make your oc for fnaf or would you like me to make it? If you want me to make it just tell me what your fnaf oc looks like and I will make it. I will make it is gacha club as well when I am done drawing it. -mischiefluna
