

Ooookay guys over 50 followers in under a day???

What's going on? I didn't even post real art yet. Is that normal on here? Because if yes, holy moly.

Thank you guys sooo much, I really never expected this, not even close. But chill out please, I feel kinda pressured! You all expect too much from me! Thank you though, this means so much to me.

(The QnA is getting reviewed at the moment, I don't know how that works but I hope it's getting published soon. I can tell because of that little red box under the note.)
