

So I was sick this week, and on Friday
@boba_lover15 spilled
@tswildestdreams1989's crush in front of her
crush's best friend. So now we're like 100%
sure that he is gonna tell him so then her
crush will know. All the boys r gonna make
fun of her now. Pls support
@tswildestdreams1989 cause she needs as
much as she can get. The other thing is we
already know that her crush likes someone
else so that is even worse. 🙄
