

What can I do?
I've fallen for you,
My mind says no, I'll only get hurt
But my heart says yes, it'll be the best
And I don't know what to do
I don't know what to do
I've fallen for you
Head over heels
I'm feeling the feels
Spending all my time with you
My mind is occupied by you
When we're together
I'm chill as can be
But inside me I could just scream
I don't know what to do.
I have fallen for you.
Head over heels
I'm feeling the feels
Spending all my time with you
My mind is occupied by you
We spend our time sitting together
And it makes me feel as light as a feather
