# **Member Information:**

You will think of a meme or get ideas from the internet, and REFERENCE it, but you may also make your own meme. Always link the source of where your got the meme idea from, unless its your own meme. Never steal others, and memes MUST be hand drawn. Meme issues will come out weekly, you can do the same meme as someone else as long as you get permission. Always hashtag the post #memeclub or it will never make it in the issue. First issue posts Dec 2nd, make a quick meme and I will make a Meme issue and collect all your memes! And make sure you GROUP your meme (all parts) so the issue doesn't get reviewed.
