

Hey berries,
Thanks for 8 likes here is the microwave bakes for humans!

For humans
Serves 1- 2

What you need:

3 strawberries or multiple blueberries or any other fruits (try not to add too much otherwise it will take lots of space)

Flour 3/4 cup

Milk 1/4 cup

1/4 teaspoon baking powder

1 Small egg

2 teaspoons of sugar

Large mug or bowl

Spoon

Microwave

Step 1

Chop off the tops of 3 strawberry's you won't need to be used so throw them out if you want .Finely chop the strawberries and leave to the side.

Step 2

mix together all dry ingredients then add milk and egg stir together with spoon

Step 3

Put in microwave for 1 minute then at 30 seconds left open to let steam out once finished don't take it out but repeat the same thing (1 minute then at 30 seconds left open to let steam out) then take it out and poke with a skewer to see if it's cooked enough if not keep cooking In 30 second periods

Enjoy!
