

Do you ever get a little bit **tired of life?**

Like you're not really happy but you **don't want to die?**

Like your hanging by a thread but you **got to survive?**

Like you body's in the room **but your not really there?**

Like you have empathy inside but you **don't really care?**

Like your fresh out of love **but it's been in the air?**

Am I a past repair??

A little bit tired of trying to care **when I don't?**
