

Hey there! Sorry to bore you with another wall of text but I'm taking requests again! All you need to do is just show me a reference on this note of an oc of yours [please no word descriptions] and I'll try to draw it [maybe even with color :0] also tag me so I see it.

Request from @Memester

I tried o_o

Apologies if it looks odd, I struggle a lot drawing more mature looking men, i tried my best though, hope you like it!

Omg- I have no words. It's super good! Hey do you mind if I use it for a pfp, as long as I credit u?
