

Vote for your fav in the comments! Or if you want to help me out and make a logo for me that would be awesome! It would be greater if you put the logo on this page on the back and write your name next to it! Who ever I choose will get a shoutout! One more thing pls tag me in the art so I can see the logo. Thx!

Right here for logos thx! (Don't forget to write ur name beside your art!)
