

Hey guys! I GOT SCAMMED!!!!!! 😞😡

So basically I usually get cushionare shoes because they are usually really good and they have a really soft sole. I'm not that rich and I can't buy birkinstocks because I'm a poor little girl...

Anyways they didn't have my color that I wanted so instead we ordered project cloud but they gave me a brick color and 2 sizes too small. 😞 but my mom said we will go today after school and get Birkenstocks!! So yayyyyyyyyyyy! I'm so excited because I have wanted Birkenstocks for the longest time!

See y'all tomorrow!

Love,

@crazydoglover 😘
