

Omg wow I'm taking requests!!

I'm just gonna be doing them until I feel burned out, so first come first serve :)

I will **NOT** be re-doing anyone's ocs so you get what you get :p

I can draw: Humans, Animals (barely),

furry ocs, and weirdcore ocs

(If it's not much I'm SORRY)

I cannot draw: nsfw, lots of

gore, or anything hyper

realistic :)

desc:

A might idiot that wears

glasses ~ has elf ears ~ a

bracket mouth.

Your oc should be done within a week ^_^

Also I will draw whatever reference you give, so if you give a half-body reference I will draw that. If you give body ref I'll draw full body :)
