Hi Peeps! I said that when we got to 50 followers I would give out shoutouts but you guys got me to 70 followers in one night! Last night I had 49 followers and now I looked and I have 70 followers! So that would be a lot of shoutouts so! Shoutouts go to all my new followers!

There will be a shoutout of the 100th, 101st, and 102nd followers!
Thanks a lot Peeps for all the followers!
