

Omg wow I'm taking requests!!

I'm just gonna be doing them until I feel burned out, so first come first serve :)

I will NOT be re-doing anyone's ocs so you get what you get :p

I can draw: Humans, Animals (barely),
furry ocs, and weirdcore ocs
(If it's not much I'm SORRY)

I cannot draw: nsfw, lots of
gore, or anything hyper
realistic :)

desc:

Name: Shadow

Orange wolf Furry with an
red sweater.

Your oc should be done within a week ^_^

Also I will draw whatever reference you give, so if you give a half-body reference I will draw that. If you give body ref I'll draw full body :)
