

Name: yui i (switching the yui's name gib ideas)

traits:

Basically, me but sillier.

Lore: my lore?? Idk she doesn't have much since im chill.

so yeah, og yui (the alien oc) needs a new name :P

This persona is me but what i wanna look like, (im not insecure:D i just want a new.. me? Idk how to say it. I'm fine with how i look rn idrc but yeah)

New names for the oc:

Yuki

Nairobi (booty name for her)

Gabs

nabio (guys what is that name)

sky??(booty too)

Jay

Automobile >:]/j

Sparrow

I need ideas

Also by what i mean by booty, is that I don't like for HER not for like an actual irl name. I just don't think those fit with her
