

Hello,

I can't rn, my hair froze 😊

Although today was... special

At my school we started a thing called kindness grams and idk who wrote mine but I got one. So basically, what you do is u pay 50 cents, get a card, write to whom it shall go to, their advisory teacher(if u know it), and whom its from.

I wrote one to 🥕 and at lunch I saw him holding it in his hand like 🙌🙌🙌🙌🙌

And 🍓... well he dominated in water polo lol, my team won too 🙌🎉

Next week Imma try and get a two piece, all of my old ones don't fit

On the diving board I almost died TWICE 😬

But here I am 😊

Anyways Imma do my homework

Cya
