

omg 207 followers?! first of all i would like to do a little appreciation post before the long awaited face rev!

i would like to say tysm to every one of my followers. thanks a bunch to everyone who has given me shoutouts etc, it's helped so much and i really appreciate it. u people are honestly so nice and the community here is just amazing. my next goal is 250 by my birthday which is March 3! so let's see shall we?
