

## School Update:

- my crush might have a gf and he hangs out with girls so I don't like him anymore 😞
- math in eighth grade compacted is super stressful so I'm js like 🤖
- we're writing a career essay for English so that's also boring
- also my ex crush sits next to me in English 🦴
- I'm gonna try to post more often on notability in honor of 80+ followers
- also js did my science gravity car so that was fun I guess
- in my knowing your self worth era rn ✨
