

because i'm bored and stuff i'm making a tog q&a that anyone whose watched toh can fill out (because i'm also obsessed with toh lol)

1: when did you first start watching it?

i watched the first episode when it aired for the first time on disney channel, i remember because we were on vacation and my parents were telling us to turn off the tv because it was late and i was like "but there's a brand new show airing in a few minutes" and they let me watch it. i didn't start actually watching it until a month and a half ago though, i was scared that my family would think i'm weird and stuff.

2: who is your favorite character?

amity hehe

3: if you were at hexside, which track(s) would you take?

i would take potions, illusions, healing, and oracle

4: what is your favorite ship?

lumity hehe

5: what is your favorite amity hairstyle and color?

i like the one at the very very end when she's 18 with the ponytail

6: what do you think your palisman would be?

prolly a cat or maybe a sloth lol

7: which season is your favorite?

i love season three but i think season two is my favorite

8: luz or amity?

amity

9: what is your favorite episode or episodes?

enchanted grom fight, knock knock knockin oh hootys door, escaping expulsion, through the looking glass ruins, eclipse lake, and thanks to them

10: did you cry on the finale? (if you say no you are lying)

yes hehe

11: eda or lilith?

aah idk why did i put this question ummmmmmmmmmm lilith

12: opinion on hooty?

he creeps me out i am ✨ c o n c e r n e d ✨

13: how did you find out that the beginning letters of the episodes spell out things?

i went through and was like "oh wow, that's cool, these ones spell out a witch loses a true way..." etc

14: favorite glyph?

i like the classic light glyph
