

## Monkeybear Productions has a new website!

For those of you who don't know, Monkeybear Productions is my unofficial studio where I collect art, stories, and more from small creators.

If you want to add to my website, email me at [monkeybearproductions@gmail.com](mailto:monkeybearproductions@gmail.com) or use the form in the "About Section" on my website

Check out the new website at

[monkeybearproductions.org](http://monkeybearproductions.org)

However, keep in mind that I filter content added to my website and might not be able to post everything that is submitted

Also does anyone know who Joycelyn Johnson is? I have some poems on my website from them but I can't credit them properly without more info
