

I will still be making LEAVE HOME so don't worry about that.

Royal I hope ur happy.

Again u don't have the right to say I'm not a Muslim because that's gods judgment. @smile_art you ave been awesome. Anyone else who cares about me Ty for being here. Uh... I have seen soo much. I stopped soo many bullies and posted soo much. Ty all for being here. And uh Royal yes imma go and repent. Did you know that if a man killed 50 people and prayed to Allah he would be forgiven? But a person that's not Muslim is worse than that? And ur basically telling me that I'm going to heck for lying unintentionally.

Time to be depressed.
