

Okr so Uhm type in the chat if this is ok... I have a crush on my besties older brother (he is a step brother to her and he is 12 just like me, my bestie is 11.) I already told her she says it's okay he might have a crush on me and she thinks we would be such a cute couple and we would be kinda like siblings in that matter. What do you think also ask any questions in chat to...
