

Hi Peeps!

Boyfriend

I am still dating him. We went to Olive Garden a few weeks ago! We also went shopping! He is a great boyfriend. He is there for me no matter what I do or say. 😊

Friends

I am still not gonna say much but things are complicated in my friend group now. We are not really a friend group anymore. There is a lot of drama talk and some more drama too. I only really trust one of my friends and my boyfriend.

Family

I still miss Winston a lot. But I have accepted it now.

Ankle

My ankle hurts still. We have not figured out what is causing it yet but I think it has something to do with how my foot lands when i walk or run.

School

School is okay! I mean it is complicated because of the friend thing. But I have made some new friends. It is annoying because I have not been able to open my locket yet.

Summary

My life is complicated. But I would not change a thing about my life.
