

So the wedding was... interesting, i had ta help set it up and all... but it was the actual wedding, i'm not a dancer but a bunch of my family mad me dance with a girl who i'm assuming probably liked me. But it wasn't a normal dance... it was slow dancing. It was embarrassing AF 'cause my g-ma, my dad, and her(the girl i danced with, i think her name was Ashly i don't remember lol) parents all recorded it.
