

Lets run away - Corey

I know you been going through a lot, you know so i was just thinking, let me, let me
Just say what you mean to me, let me say what i can really do for you cause he aint deserve
you. Cmon girl let's run away cause your ex was lame didnt even show you love he
took your heart and messed it up eyes red full of tears you wasted ss many years
come on girl please come here losing you my biggest fear. I promise not to do you wrong
baby girl you know that he was wrong i'll always be your backbone i'll always keep you
standing strong, Baby girl i want you for the rest of life that's no lie, that's no lie (oooooh) That's
no lie baby girl i want you for the rest my life that's no lie that's no lie (nooooo) that's no lie
Baby girl i want you for the rest of life that's no lie, that's no lie (oooooh) That's
no lie baby girl i want you for the rest my life that's no lie that's no lie (nooooo) that's no lie
