

We touch,  
I feel a rush,  
We clutch,  
It isn't much  
But it's enough  
to make me wonder  
what's in store  
for us.

So after a year  
and six months,  
it's no longer me  
that you want  
But i love you  
so much it hurts,  
never mistreated you once  
I'll pour my heart out  
to you.  
let down my guard,  
swear to God  
I'll blow my brains  
in your lap. lay here  
and die  
in your arms  
Drop to my knees  
and i'm  
pleadin',  
i'm tryin' to  
stop you from  
leavin'

Cause you just did  
the impossible,  
gained my trust
