

@vollyballgrl, who gave you my permission to sell out my age? Nobody did, first, you sell out my name (first of all, I didn't sell out your name. You did a name reveal.), now my age? And i thought we WERE FRIENDS. You, certainly aren't worthy & trustworthy of being my friend anymore. It is O V E R. (And we were never friends)

O-V-E-R.

So yes, to sum it all up, o-v-e-r, yes, don't come back crying, yes, i am dramatic because i didn't give Scarlett, who is what 11 or 10? To sell out my information? Who has screen time, on her phone? Exactly. You give out my information, i give yours. (Also I'm not the spoiled brat of the class.)
