

Sorry doctors always checking on me and on the loud speakers it said code blue. Oof anyways but brooooo I looked at the comments and I was seeing why I was mad or something. Royal or something idc anymore. If I was that dumb to try and K.O myself then dang. My mental bro. I let the.

Sorry I need to lay back.

Ok bro let the intrusive thoughts in. I saw y'all saying not to do it but I'm pretty sure by then I was prob passed out on my bedroom floor idk. I don't remember that much. Hehe I can call nurses to give me cookies. I'm on a thing called a ventilator or smth. I'm prob gonna be on it for a little but at least it's only for like a week or two eh. It's dark outside so Ik I been knocked out for a few hours??? ... bro puppy dog pals is on Disney jr. no I'm not watching that! There's like no good channels on at the hospital. The nurse is here gtg
