

## ~ Story Time ~

Okay, this was today. I was playing the ✨nInTenDo✨ with my sister and we literally about to finish a level 🤔 on a game we have been stuck on for ages 🙄. So my mum has to come come in and say: “ kAyLa dO yOuR KiCkUpS\* ” so I say “ ✨ not RiGhT nOw MoThEr I’m NeArLy DoNe ✨ ” and she looks at me in a disgusted way and rolls her eyes 🙄 and I’m like “OMG ThE oFfEnCe” ❌. So a few minuets later 🕒 she walks back into the room and takes the Nintendo away 😡 “ KaYlA dO tHeM dAmN kIcKuPs AnD you CaN hAvE iT bAcK ” 😞, THEN THE RAT 🐭 TURNS OFF THE CONSOLE SO THEN WE HAD TO START AGAIN, I’m not even joking I saw *red* when this happened, but on the bright-side ☀️ I did my kickups and now she won’t EVER bother moi again 😊

*\*for those who don’t know what a kick up is, it’s a series of bouncing a ball on your foot and not letting it touch the floor 🏐\**
