

Quick Note - Deleting Soon

Does anyone know why no one is active on notability? I just want people 2 post :(if you guys are having trouble with reviewing, I can talk to notability again. im just lonley :(

We need to keep the legacy on 4 the new ones and we need to stand up 4 tho's peep's who are getting banned 4 nothing we need to stop this madness its get's annoying that people are doing this its stupid and I dont care if I get banned 4 this I quit just standing around
