

SO I FOUND SOME INFO ABOUT ME

Soul number: 5 (meaning- If your Soul Urge is 5, freedom is essential for your happiness. You love change, new experiences, meeting new people, adventure and travel. You love the exotic, far away places. Variety is more than mere spice of life - you thrive on it. You are extremely flexible and adaptable.)

Numerology number: 11 (meaning-

Moreover, quite like number 1, the number 11 is inspiring, artistic and spiritual. The natural impulse and the Numerology meaning of 11, is to try and understand the mystical and the meta. This is why they are called 'The Psychic Master' and the 'Master among men'.)

Inner dream number: 9 (meaning- Mars is the ruler of this number. You are knowledgeable and intellectual and possess good tolerance and even better communication skills.)
