

you guys 😭

so rn there r five submitted tribute sign ups for the hunger games
I have one other person that is going to sign up and then I'll sign up, but
I need at least 12 so there's one from each district. If you guys could ask
people to sign up, or submit a second application cuz that's fine too :)
I'm super excited for the hunger games soon!

btw applications are still due April 10th.

If they r not public ally visible like they need to be reviewed those count
because it still tells me that they're in review
