

Edibles!

Shelleh

1/10
texture was good,
but it broke my dentures

Cosmotology

10/10
Chocolate cake?!
tis bish

9/10
Paper's yum

Seedling

10/10
Strawberry is
good yis

Later...

Hello my dandelions! Welcome back to my channel! For today's mukbang I will be taste testing all these newly released edibles! If you enjoy my review on the products then be sure to like the video and hit subscribe! Don't forget to click on the notifications so you know when I post another video! Comment down below on which edible was your favorite and use the link down below for a discount on your next edible purchase! Now back to the video!
