

@michi mousee

On May 24, 2024 my Nani (my great grandma on my dads side) passed away.

She was really old and unhappy so I am glad she isn't in a bad spot anymore.

Also my family and her are Christian so I am happy she is in heaven now, but it's still really sad

Please add a flower on the grave for my Nani.

(Add your tag next to your flower please)
