I'm having my first ever drawing contest! Everyone is open to join! 10 spots available for registration so register quickly if you're interested! Deadline for registration is 5 May (for some people it might be 4 May or 6 May because of the time zone difference). Deadline for submission is 1 June (for some people it might be 31 May or 2 June because of the time zone difference).

Instructions: To register, you just need to remix, write your user in the blank, and tag me (@st4rrl1ght) in the description. For submission, do the artwork on Notability, Procreate, or Sketchbook, tag me, and post it. Submit anytime between registration deadline and submission deadline. As for what to draw… draw <u>one</u> of these three things:
1. A <u>white cat with one yellow eye and one blue eye</u>
2. A <u>blue and purple dragon</u>
3. A <u>white or black kitsune with different coloured tails</u> (kitsune is a Japanese fox with multiple tails).

Prizes: Top 3 get a shoutout, top 2 get custom a custom OC or 2 custom stickers, top 1 will be my profile picture :) Does that sound ok?

Rules:
1. No tracing, copying, or using other people's artwork (whether from Notability, Internet, or other sources). You can take inspiration but you have to give credit to whoever made it.
2. You can use your previous artwork if it fits the criteria.
3. And one very, very important thing: NO banning me or other contestants!!! If you ban me or my contestants, I will IMMEDIATELY disqualify and ban you using my alternate accounts (I do NOT tolerate people who ban good people).

So uhh, yeah. My first ever contest. Have fun and may the best artist win :)

Registration
