

Y'all I hate my spot my history

teacher moved me from my friends, and with all  
the frikin boys It's like the whole row is boys, the person next to me on my  
right and left is suckss and my partner is friends with the ppl near him so I'm  
just like ughh and my science teacher moved  
me from my friends and I'm stuck with a greasy  
haired kid, Plus he's weird and in history in  
I+) And Spanish is prob gonna be  
JS as Bap
