

Remember that note where I told y'all beliefs on g@y and all that stuff? Well it was reported. By a hater. I can't believe it.

So I gave them a piece of my mind. Told them that it was wrong to report my notes, because that's saying that I can't express my beliefs. I told them I don't hate on anyone, I was just letting y'all know stuff.

Is that bad? No.

SHOCKER: This person doesn't post, they're just here to hate on my beliefs.

PLEASE DO NOT TRACK THIS PERSON DOWN AND GANG UP ON THEM...I DON'T WANT THAT.....

I forgive them for their stupid action, but PLEASE, dude, if you're reading this, DON'T HATE!!! It doesn't help anything or anyone!!!
