

# Hi people

So I've decided why not make a notability sheet so you guys and girls can add what ever characters you like and I'll see em and make changes if needed and maybe use them in my story so hope fully you have fun adding the stuff you side note you can add drawing if you want and I'll look it over ok have fun

Character name:

*Oakley* :

Gender:

Female

Tribe:rainwing/leafwing

Colored:the color of leaves with color changing under scales and 2 wings

My profile picture

Abilities:has really powerful leaf speak can change scales to match surroundings can shoot deadly venom from her fangs

Introduction: Oakley is a good person with a alter ego that can get her into trouble she has made a lot of friends including this new person hoo is also a hybrid of a sandwing and silkwing so that's nice she attends jade mountain academy and hopes to be a dragon doctor
