

Hai!! XD

I'm honestly so tired rn and my finger got infected so thats totes not kool. Idek why it's infected but it is so there's that. I put some neosporin and a bandaid on it tho so hopefully it heals quickly. I'm in health class rn. I don't like having to take health class bcuz I had to take it every year in middle school too.

I still miss my ex so thats so not fun but its oki.

I get to go to choir class after this so at least thats fun lolz.
