

Sorry I'm typing this guys, I'm in a bit of a rush :/ but I need to address all of the rumors going on between Kaddraws and me... we use to be friends Kad and I, but we're no longer home skilletts. Kad violated me in ways that I didn't want to believe. Kad isn't who you think they are. They are the devil in disguise 🍆 that's why I made that drawing of devils don't fly before, it was a metaphor. None of you knew at the moment, but Kad did. And Kad hid it from you :(I just want to say I did nothing wrong 😇 but I still need to tell you guys, so please wait for my screenshots of Kad harassing me to get reviewed. Sorry for the inconveniences 💔💔
