

Y'all stop [redacted] hating on each other saying you traced this and that, I like it when this app was about [redacted] art and not being [redacted] to each other. Start some drama and forget about the rest of us just trying to have a good time? And like @We1rdg1rl you can't say she's so emo and faking it you also could be just assuming, And are you blind like have you seen your own vent, depression posts.? Just be kind you know notability gallery could just shut down because of being toxic. Your also saying she's 12, your one to [redacted] talk your acting like a little kid. Do we need to give YOU more attention?
