

What I expected my anxiety medicine to do: make me fearless

Reality: I have a lot more anxiety than ever before and I am not fearless at all

What I expected being in the ensemble of the school musical to be like: boring

Reality: I made some mistakes but I have so much more friends than I have ever before

What I expected Harry Potter to be: a lot of people who are very magical and just zap each other

Reality: a little bit of magic and the rest is just death and destruction in 7 books worth of reading and 8 movies

What I expected fairly oddparents to be: a stupid kid show

Reality: a kid who is a victim of neglect so he gets hilarious fairies

What I expected squishmallows to be: kids toys that are overrated and overpriced

Reality: the most squishy toys ever that are the hugest joy in the world to hug 🤗
