

Part 1 of ADHD inner thought story times lol

hey guys story time for yall!!! so this was like ages ago but i just remembered today lol. so i was at skl the other week or smth and i walked into the bathrooms right? and there were like three girls v@ping yk and i let out my inner adhd thoughts and decided to say 'ITS SO PREPPY IN HERE!!' and there was an awkward silence and they all stared at me then one of them said 'IS IT JUST AS PREPPY AS U IMAGINED?' and i said 'YAS OFC' like lol it was so funny but i left that bathroom and didn't step foot in it until Thursday at lunch when all the other bathrooms were locked 😭 and i regret it but that's another story time lol
