

My morning was horrible. But guess who has the entire house to themselves 😏 MEEEEEEEEEEEE!!
YURP, YURP, THTS RIGHT. ME. I DO. my grandmother works today, and she's gonna be gone
ALLLLLLL NIGHT. and my little sister is staying over at someone's house, so thts even better 😍 no
babysitting, or homework, or yelling 😊 just an Odetari playlist, and my Love playlist and Pinterest
and just peace and quiet 🙏 I haven't felt this much peace in 2 yrs 😊 it'd be better if I had someone
over, but my grandmother would never let anyone over 🤖 she'd go bonkers. I mean I'd sneak
someone in, but there's literally cameras everywhere- so I wouldn't be able to have anyone over
anyway. But thts alr, I'm perfectly fine how it is now! But I would love to talk to sm right now, so
below sotd, I'll put my snap and discord 🤗 hmu shawty 😎 well I'll get goin now, and remember I
love you! And bye bye ❤️
