

I went to a Symphonic Orchestra Concert Last night &

IT WAS
SO GOOD

(New WIP
hint...?)
←

They had this Piano Solo (they were playing Mozart's Concerto #22) who was INCREDIBLE.

Like My LORD, I liked Classical music before & its nice on a radio or from Spotify, but theres nothing like hearing it in person.

ANYWAY

hehehe

this has been
my ted talk. Thanks you ♡
