

You're choosing the safest option.
maybe a little overrated, but it's
still a good one

ALRIGHT. WE GET IT.
YOU LIKE THIS ONE.

This may not be everyone's favorite,
but it's yours, and you're totally
chill about it

You're into the
classics

You're old

You're really old

Your social security
number is two

You are one **pretentious**
hipster

Officer, it's this one,
Right here

Oh you're cool, I
like you

No way, you actually
know that one?
can we be friends?

This one's just
a phase, you'll grow
out of it when you
grow up

You will never
grow up

Oh. You picked this
one to be different.
How clever...

If you chose this one,
you are a liar. This is
no one's favorite

If you chose this
one, you are correct.
This is the best one

And for those
of you
saying

"Where's this one?"

"Where's that one?"

You're annoying
