

because i'm bored and stuff i'm making a tog q&a that anyone whose watched toh can fill out (because i'm also obsessed with toh lol)

1: when did you first start watching it?

2: who is your favorite character?

3: if you were at hexside, which track(s) would you take?

4: what is your favorite ship?

5: what is your favorite amity hairstyle and color?

6: what do you think your palisman would be?

7: which season is your favorite?

8: luz or amity?

9: what is your favorite episode or episodes?

10: did you cry on the finale? (if you say no you are lying)

11: eda or lilith?

12: opinion on hooty?

13: how did you find out that the beginning letters of the episodes spell out things?

14: favorite glyph?
